1. Of the three employees who are unable to transfer to [REDACTED] and [REDACTED] are placed elsewhere in the Organization. [REDACTED] has accepted a job in an FE field slot, and [REDACTED] has accepted a job in the SR Division and has already been transferred.

2. With respect to [REDACTED], he is acceptable to OCI as a senior GS-7 Courier, but he has to qualify in side arms first - which test he failed some months ago. He is getting his second test today, and I have asked [REDACTED] of Security, who supervises such things, to report to me on the results. Also, I have raised the question with [REDACTED] as to how one reasonably expects a complete layman with weapons to qualify in what amounts to a marksman course without training, and told [REDACTED] I could teach the lad how to shoot if necessary! I will let you know.

3. These placements have taken place in spite of Personnel's several-times-assertions to these individuals that there wasn't any placement, and they had better look for a new job or be prepared to resign.

[REDACTED]
Chief, Management Staff
